California Nutrition Network for Healthy, Active Families

10th Anniversary Celebration

August 10, 2006

Sacramento Convention Center

KEYNOTE:

Angela Glover Blackwell, *Founder and Chief Executive Officer, PolicyLink*

This year, the *Network* will be celebrating its 10th anniversary with a conference providing opportunities to learn more about nutrition education, build on the diverse and dynamic *Network* community, expand the collaborations, and address the changing climate of obesity prevention.

We invite you to challenge your thinking, and develop new alliances, with the goal of creating healthy changes in California's diverse communities.

Please hold the date for this important meeting. More information to follow.
